1994 FAN AWARDS

What are your favorites in the world of comics? Comics Buyer's Guide, the weekly newspaper devoted to the world of comic books, sponsors these awards to let you, the fan, cast your ballot in determining what the fan favorites are for the year.

RULES & REGULATIONS: Only material with a 1994 cover date can win. Votes for projects that did not have a 1994 publication date will not be counted. This ballot may be copied and passed on to your friends for their votes. Anyone who loves comics can vote - but only vote once. If you vote more than once, all your votes will be thrown out. Vote only in the categories you want, and ignore any you don't. COMICS BUYER'S GUIDE is not eligible for Category 15. Every voter in the United States will get a free issue of COMICS BUYER'S GUIDE with the results (scheduled to be #1130, dated July 14, 1995), unless you already have a current subscription to CBG. Votes from other countries will be counted, but we regret that free copies of CBG can't be mailed out of the country unless your vote is accompanied by \$3.00 in U.S. funds to cover handling and shipping. The award winners will be announced at the Chicago Comicon, held June 30 - July 2, 1995.

Get ready for some explosive surprises and the CBG Fan Awards results at the 20th annual

ULTRAVERSE COMICS 1995

Every decade or so, some new phenomenon takes the comic book industry by storm and changes the way you read and collect...forever! **Marvel** started the trend in 1961 with the launch of the **Fantastic Four**. In 1975, Marvel struck again with the relaunch of **X-Men**. Both times, comic book history was made.

Now it's 1995. Marvel has acquired Malibu Comics and is about to make comic book history a third time with the **UltraForce** and the "Age Of Ultrae."

Discover the Megaverse® of Palladium® Role-Playing Games

The Palladium role-playing rule system is the same in every game. This means that once readers become familiar with one game they can play them ALL.

Better yet, players can link and combine several game worlds to create epic, multi-dimensional adventures on a cosmic scale!

- **Heroes Unlimited™** is a role-playing game that enables its players to create their own super powered heroes, including mutants, aliens, cyborgs, robots, master of the mystics arts, weapon experts, martial artists, vigilantes and more!
- **Robotech®** brings to life the exploits of the RDF Earth defenders as seen on television. Players are the pilots of giant combat robots like the transformable *Veritech Jet Fighters* or the 50 foot tall *Destroids* -- each packing more firepower than a 20th Century tank division!
- **Rifts®** is the Earth of the future, but a transformed and alien Earth where magic and tech-

nology co-exist and realities from countless dimensions collide.

In **Rifts®** anything is possible.

What's that? You've never seen a role-playing game? Well, check us out. Each game is a magazine size soft-bound book, 100 to 250 pages thick and jam-packed with great art, heroes, villains, adventures and tons of ideas.
